

HEY, PARENTS!

Parents, looking for a safe warm place for your child to make friends, learn from God’s Word, have fun, and enjoy the excitement of learning new things? DELTA Club is the answer!

Children’s Wednesday After-School Club!

DELTA Club is a weekly Christ-centered program that helps children grow as whole persons and learn to make Christ the Lord in every aspect of their life. Club members take part in games, singing, and skill-building activities or projects such as drama, fitness, camping, cooking, and woodworking. In Bible Explorations, children learn about God’s love, Christian values, and how to apply the Bible to everyday life. The material is non-denominational.

What does Pioneer Clubs mean to your children?

A child who attends Pioneer Clubs will...

- know how one comes to faith in Jesus Christ
- learn how to study and apply the Bible through a kids Bible study program
- discover how to be a contributing member to his or her family, church and community
- appreciate the uniqueness of others
- experience success and achievement
- build lasting and lifelong relationships with Christian adults and peers

And most of all, Pioneer Clubs is FUN! Children will earn awards for completing skill-building activities in a noncompetitive atmosphere that fosters cooperation and teamwork. These activities help kids develop a variety of life skills. Leaders will teach your children about the Bible using hands-on activities that are both fun and effective!
